

Intuit® Payment Solutions' Referral Program

Who is Intuit Payment Solutions?

Intuit has been a supporter of small businesses for over 25 years. You've always known us for fast and easy financial software solutions but we also offer credit and debit card processing to small and mid-sized businesses. Our credit card and check processing solutions are used by over 240,000 small businesses who process more than \$14 billion annually.¹ Our reputation has been built not only on our innovative solutions, but also on our amazing customer service.

Why work with the Sleeter Group at Intuit Payment Solutions?

- Help Your Clients Increase Their Income...the average credit card sale is more than 4 times the size of a cash sale.
- Earn Recurring Revenue...receive a residual payment monthly based on the merchant's processing.
- Peace of Mind...that you're working with a brand you can trust.
- Depend on us! You will have full support from our dedicated representatives who can help facilitate accounts on your behalf so you are able to have more time to gain more clients.
- Easy Referral Process! The QuickBase, Intuit's custom customer management system (CRM), takes each client through the application process which allows you to track your clients in real time!

Why should your client work with Intuit Payment Solutions?

- Our payment solutions work within QuickBooks: the seamless integration saves time and increases accuracy.
- It's easy to use!
- Intuit Transparent Pricing: There are no surprises...our pricing is easy to understand and competitive.
- Meet or Beat Programs: We offer meet or beat programs to help clients get the best pricing.
- Easy to Get Approved and Started: High approval rates - most businesses are approved and merchant accounts are ready for installation within 24 hours.

Intuit Payment Solutions offerings include the following:

How Does the Referral Program Work?

- Fill out the Merchant Service Referral Agreement. Fax it to [866-259-0237](tel:866-259-0237) or email it to PaymentsPartnerSupport@intuit.com.
- Once you fill out the Referral Agreement, you will receive access to the Merchant Service Referral QuickBase.
- All referrals are entered into this QuickBase. In the QuickBase, you will be assigned a solution provider sales associate.
- Anytime you enter a lead into the QuickBase, your sales associate will contact your client. You can check status of the lead in the QuickBase.
- If the account is approved, you will receive 20% of profit ongoing for the life the account paid via check or EFT.
